Email: office@mau-catapproved.com

Delivery in 4 packages

1. 126 × 75 × 6 cm – 21 kg
2. 78 × 40 × 32 cm – 18 kg
3. approx. 180 × 18 × 17 cm – approx. 19 kg
4. approx. 165 × 18 × 17 cm – approx. 16 kg

Before Assembly

1. Upon delivery, check that all 4 packages have arrived and are undamaged. Report transport damage and missing packages immediately to the manufacturer (contact details above).
2. Unpack all parts, lay them out on a clean, soft surface, and check them against the manufacturer's assembly instructions. Do not replace missing or damaged parts with your own parts; request them from the manufacturer.
3. Select the installation location: level, load-bearing floor with a clear area of at least 125 × 90 cm. The cat tree is up to 185 cm high – pay attention to ceilings and light fittings when raising it upright.
4. Keep screws, small parts and packaging materials out of reach of children and animals.

Assembly

5. Assemble with two people. Individual packages weigh up to 21 kg, the assembled cat tree 70–80 kg.
6. Proceed according to the manufacturer's assembly instructions and firmly tighten all screw connections and metal brackets.
7. Check stability after assembly: the cat tree must not wobble.
8. Do not allow cats onto the cat tree until it is fully assembled and checked.

After Assembly and During Use

9. Check screws and metal brackets for tight fit and retighten them after assembly, after a few days and regularly thereafter.
10. Regularly inspect for cracks, loose parts and worn sisal rope. Do not continue to use damaged parts; contact the manufacturer for replacement parts and enquiries (contact details above).

11. Not play equipment for children – do not allow children to climb on the cat tree.

Compiled by Pawlosso (pawlosso.com, RB INVEST Project Kft.) from the data sheet of the manufacturer mau dated 30 September 2026 and the safety instructions approved by the manufacturer. Dimensions and weights according to the manufacturer, not remeasured. The manufacturer's assembly instructions are authoritative for assembly.
